

Accessing bank information made safe, the BankCom Way!

BankComBusiness

Got multiple deposit accounts? We'll help you monitor and manage them all at once!

Funds Manager

This is the perfect cash management solution to help you have a productive and organized monitoring of funds in real-time. Easily monitor your accounts by accessing Deposit Inquiry, Account Transaction History, Bank Statement Downloading, and MORE!

SOA Download

If you need to download bank statements in SWIFT MT940, MT950, or Multicash format, then you'll surely need this additional module! This is also an efficient tool in monitoring your cash positions for better liquidity management by uploading it to your accounting system.

ONLINE, PAPER-LESS, & REAL-TIME UPDATES

For easier and faster monitoring, get a 24/7 access on all of your accounts' balances and transactions anywhere you may be!

SECURE & EFFICIENT

This helps you efficiently manage your funds wherever you are, and even provides reconciliation of bank statements in different file formats to help you lessen errors when manually handling them.

CONVENIENT & PRODUCTIVE

No more energy or time wasted doing manual visits to the bank! Focus on your other productive tasks and just deal with your banking needs on your free time anywhere.

Your convenience comes first!

Start your BankCom Business Journey now:

- 1 Log in to BankCom Business, our Internet Banking Portal
- 2 Choose the service you'd like to access under the Funds Management menu where you can view your account balance, inquire anything about your previous transaction, or download a bank statement.
- 3 After selecting the service, you can now relax and feel free to access your deposit account's info.

Match your journey with SOA Download services:

- 1 Log in to BankCom Business and select SOA download module under Funds Management menu.
- 2 Choose the account and period you'd like to inquire about then download the bank statement in the file format you have enrolled with.
- 3 After downloading, you may now upload the bank statement file to your accounting system.

When managing your accounts, GO THE BANKCOM WAY!
