

### About Unit Investment Trust Funds (UITFs)

<b>What is a UITF?</b>	A UITF is an open-ended pooled trust fund in any currency operated by a Trust entity in accordance to the set Plan Rules of the UITF and made available by participation.
<b>Is there a maturity date?</b>	UITFs have no maturity date and are open ended. Redemptions may be made anytime. However, if redeemed within the holding period, a penalty of 5% of the redemption proceeds will apply.
<b>Are returns of UITF guaranteed?</b>	No. <b>UITFs do not carry a guarantee of income and principal.</b> It is not a deposit product and is not guaranteed by Bank of Commerce.
<b>Are UITFs covered by PDIC?</b>	Since UITFs are not deposit products, it is not covered by the <b>Philippine Deposit Insurance Corporation</b>
<b>How are the underlying assets of UITF valued?</b>	UITFs use a mark-to-market method in valuing the underlying assets of the UITF. This valuation method computes for the Net Asset Value based on the fair market value of the UITF's assets. It takes into account the accrued interest and the unrealized gains or losses of the underlying assets based on their prevailing market prices.
<b>How is the Net Asset Value per unit computed?</b>	The Net Asset Value per unit is determined daily and computed by dividing the Total Net Asset Value (Total Assets minus Total Liabilities) by the UITF's total number of outstanding units of participation.
<b>What is the proof of investment?</b>	A <b>Confirmation of Participation (COP)</b> will be made available within five (5) banking days from trade date. A COP will be given to the client for every subscription made.
